The screenshot shows the HomeServe Canada Order Confirmation page. At the top, there's a navigation bar with links for phone number (877 392-1509), ZIP code entry, login, and cart. The main title is "Order Confirmation". Below it, a section titled "Here's what you purchased" shows a single item: "Exterior Water Service Line Protection" with a quantity of 1 and an amount of \$6.99. The billing frequency is listed as "Monthly". A "Total Amount" of \$6.99 is also shown. There's a note to "Please print this page for your records." Below this, a "Be on the lookout!" section informs the user they will receive an order confirmation email from infocanada@homeserve.ca. A "What you can expect next" section lists the following steps: processing the enrollment, receiving service agreement documents, and payments being taken via the selected payment method. To the right, there's a sidebar for "Other customers also purchased:" featuring a "Exterior Sewer/Septic Line Plus" plan for \$4.99/mo. The sidebar includes a note about the price including 50% off the estimate per month for new plans and a warning about tree roots or shifting soil. A timestamp at the bottom right indicates the screenshot was taken on June 7, 2024, at 19:18:33.
